NOTICE OF INTENT

National Pollutant Discharge Elimination System application for coverage under General Permit NCG100000:

STORMWATER DISCHARGES associated with activities classified as:

SIC (Standard Industrial Classification) 5015 Used Motor Vehicle Parts
SIC 5093 Automobile Wrecking for Scrap, (except as specified below)

The following activities are specifically excluded from coverage under this General Permit:

• Establishments primarily engaged in the wholesale trade of metal waste and scrap, iron and steel scrap, and nonferrous metal scrap (hereafter referred to as the metal waste recycling industry)

For questions, please contact the DEMLR Regional Office for your area. See page 4.

(Please print or type)

1) Mailing address of owner/operator (address to which all permit correspondence will be mailed):

Name _____________________________________________________________
Street Address ________________________________________________________
City _____________________________ State _______ ZIP Code ______________
Telephone No. ______________ Fax: ______________

2) Location of facility producing discharge:

Facility Name ________________________________________________________
Facility Contact ______________________________________________________
Street Address ________________________________________________________
City _____________________________ State _______ ZIP Code ______________
County _____________________________
Telephone No. ______________ Fax: ______________
Email _____________________________

3) Physical Location Information:

Please provide a narrative description of how to get to the facility (use street names, state road numbers, and distance and direction from a roadway intersection). ____________________________________________________________

(A copy of a county map or USGS quad sheet with facility clearly located must be submitted with this application.)

4) Latitude________________________ Longitude__________________________ (deg, min, sec)

5) This NPDES Permit Application applies to which of the following:

☐ New or Proposed Facility Date operation is to begin ____________________
☐ Existing
6) **Standard Industrial Classification:**

   Provide the 4-digit Standard Industrial Classification Code (SIC Code) that describes the primary industrial activity at this facility.

   SIC Code: ___ ___ ___ ___

7) **Provide a brief narrative description of the types of industrial activities and products manufactured at this facility:** ________________________________________________________________

   ___________________________________________________________________

   ___________________________________________________________________

8) **Discharge points / Receiving waters:**

   How many discharge points (ditches, pipes, channels, etc.) convey stormwater from the property? ________

   What is the name of the body or bodies of water (creek, stream, river, lake, etc.) that the facility stormwater discharges end up in? ________________________________

   Receiving water classification: _______________________________________________________________

   Is this a 303(d) listed stream? ________ Has a TMDL been approved for this watershed? ________

   If the site stormwater discharges to a separate storm sewer system, name the operator of the separate storm sewer system (e.g. City of Raleigh municipal storm sewer). ____________________________________________

9) **Does this facility have any other NPDES permits?**

   □ No

   □ Yes

   If yes, list the permit numbers for all current NPDES permits for this facility: ________________________________

10) **Does this facility have any Non-Discharge permits (ex: recycle permit)?**

    □ No

    □ Yes

    If yes, list the permit numbers for all current Non-Discharge permits for this facility: ________________________________

11) **Does this facility employ any best management practices for stormwater control?**

    □ No

    □ Yes (Show structural BMPs on the site diagram.)

    If yes, please briefly describe: __________________________________________________________________________

    __________________________________________________________________________

12) **Does this facility have a Stormwater Pollution Prevention Plan?**

    □ No

    □ Yes

    If yes, when was it implemented? ________________________________

13) **Hazardous Waste:**

    a) Is this facility a Hazardous Waste Treatment, Storage, or Disposal Facility?

       □ No    □ Yes

    b) Is this facility a Small Quantity Generator (less than 1000 kg. of hazardous waste generated per month) of hazardous waste?

       □ No    □ Yes
c) Is this facility a Large Quantity Generator (1000 kg. or more of hazardous waste generated per month) of hazardous waste?

□ No □ Yes

d) Is hazardous waste stored in the 100-year flood plain?

□ No □ Yes  If yes, include information to demonstrate protection from flooding.

e) If you answered yes to questions b. or c., please provide the following information:

Type(s) of waste: ____________________________________________________________
How is material stored: ______________________________________________________
Where is material stored: _____________________________________________________
How many disposal shipments per year: _________________________________________
Name of transport / disposal vendor: ___________________________________________
Vendor address: _____________________________________________________________

14) Certification:

North Carolina General Statute 143-215.6B(i) provides that:

Any person who knowingly makes any false statement, representation, or certification in any application, record, report, plan, or other document filed or required to be maintained under this Article or a rule implementing this Article; or who knowingly makes a false statement of a material fact in a rulemaking proceeding or contested case under this Article; or who falsifies, tampers with, or knowingly renders inaccurate any recording or monitoring device or method required to be operated or maintained under this Article or rules of the Commission implementing this Article shall be guilty of a Class 2 misdemeanor which may include a fine not to exceed ten thousand dollars ($10,000).

I hereby request coverage under the referenced General Permit. I understand that coverage under this permit will constitute the permit requirements for the discharge(s) and is enforceable in the same manner as an individual permit.

I certify that I am familiar with the information contained in this application and that to the best of my knowledge and belief such information is true, complete, and accurate.

Printed Name of Person Signing: _______________________________________________
Title: _________________________________________________________________________

(Signature of Applicant)  (Date Signed)

Notice of Intent must be accompanied by a check or money order for $100.00 made payable to:

NCDENR
Final Checklist

This application will be returned as incomplete unless all of the following items have been included:

☐ Check for $100 made payable to NCDENR
☐ This completed application and all supporting documents
☐ A site diagram showing, at a minimum, (existing or proposed):
  (a) outline of drainage areas, (b) stormwater management structures, (c) location of stormwater outfalls corresponding to the drainage areas, (d) runoff conveyance features, (e) areas where materials are stored, (f) impervious areas, (g) site property lines.
☐ Copy of county map or USGS quad sheet with location of facility clearly marked on map

Mail the entire package to:

Stormwater Permitting Unit Program
Division of Energy, Mineral and Land Resources
1612 Mail Service Center
Raleigh, North Carolina 27699-1612

Note
The submission of this document does not guarantee coverage under the NPDES General Permit.
