NOTICE OF INTENT

National Pollutant Discharge Elimination System application for coverage under General Permit NCG190000:

STORMWATER DISCHARGES associated with activities classified as:

SIC* (Standard Industrial Classification) 373 Ship and Boat Building and Repairing
SIC* 4493 Marinas

* Standard Industrial Classification Code

For questions, please contact the DEMLR Regional Office for your area. (See page 4)

(Please print or type)

1) Mailing address of owner/operator (address to which all permit correspondence will be mailed):
   Name
   Owner Contact
   Street Address
   City
   Telephone No.
   E-mail Address

2) Location of facility producing discharge:
   Facility Name
   Facility Contact
   Street Address
   City
   County
   Telephone No.
   Email

3) Physical Location Information:
   Please provide a narrative description of how to get to the facility (use street names, state road numbers, and distance and direction from a roadway intersection).

4) Latitude _________ N  Longitude _________ W (degrees, minutes, seconds)

5) This NPDES Permit Application applies to which of the following:
   □ New or Proposed Facility*  Date operation is to begin ____________________
   □ Existing

   *If this new or proposed facility in one of the 20 coastal counties, you must contact the appropriate Regional Office (see page 4) to determine if a State Stormwater Permit is also needed prior to construction.
6) **Standard Industrial Classification:**

Provide the 4 digit Standard Industrial Classification Code (SIC Code) that describes the primary industrial activity at this facility

SIC Code: ___  ___  ___  ___

7) **Services and Activities**

a) **Provide a brief narrative description of the types of industrial activities and products manufactured at this facility:** (Include a site diagram showing the process areas and location of activities present at this facility.)

b) **Check all services and activities offered or allowed at this facility**

- [ ] Transient Slips
- [ ] Permanent Slips
- [ ] Lodging
- [ ] Restrooms
- [ ] Restaurant
- [ ] Retail Store
- [ ] Boat Sales
- [ ] Trash Collection
- [ ] Recycling
- [ ] Fish Cleaning Area
- [ ] Charter
- [ ] Live Aboard
- [ ] Dry Boat Storage
- [ ] Engine Repair
- [ ] Dump Station
- [ ] Haul Out
- [ ] Pump Out
- [ ] Fueling
- [ ] Boat Ramp
- [ ] Boat Hand Washing
- [ ] Vehicle/Equipment Washing
- [ ] Boat Pressure Washing
- [ ] Sanding
- [ ] Sand Blasting
- [ ] Painting
- [ ] Boat Building

8) **Discharge points / Receiving waters:**

How many discharge points (ditches, pipes, channels, boat ramps, lift wells, etc.) convey stormwater from the property? ____________________________

What is the name of the body or bodies of water (creek, stream, river, lake, etc.) that the facility stormwater discharges end up in? ____________________________

If the site stormwater discharges to a separate storm sewer system, name the operator of the separate storm sewer system (e.g. City of Raleigh municipal storm sewer). ____________________________

Receiving water classification (if known): ____________________________

9) **Does this facility**

a) **Have an untreated wastewater discharge?**  [ ] No  [ ] Yes

b) **Have a treated wastewater discharge?**  [ ] No  [ ] Yes

If yes, list the permit number. __________________________________________________________________________________"

c) **Have a wastewater discharge from a recycle system?**  [ ] No  [ ] Yes

If yes, list the permit number. __________________________________________________________________________________"

d) **Have a non-discharge permit?**  [ ] No  [ ] Yes

If yes, list the permit number. __________________________________________________________________________________"

e) **Discharge wastewater to a municipal wastewater collection system?**  [ ] No  [ ] Yes

If yes, list the municipality and permit number ____________________________________________________________

---

**Note:** Stormwater discharge permit NCG190000 does not authorize the discharge of any wastewater. If this site discharges wastewater, you must obtain the appropriate wastewater discharge permit in addition to coverage for stormwater discharges under NCG190000.
NCG190000 N.O.I.

10) Does this facility employ any best management practices for stormwater control?
   □ No  □ Yes (Show any structural BMP’s on the site diagram.)
   If yes, please briefly describe: ____________________________________________________________

11) Does this facility have a Stormwater Pollution Prevention Plan?
   □ No  □ Yes
   If yes, when was it implemented? ____________________________________________________________

12) Does this facility use solvents on-site?
   □ No  □ Yes
   If yes, does this facility have and implement a Solvent Management Plan? □ No  □ Yes

13) Are vehicle/equipment maintenance activities occurring at this facility (ex. fueling, washing, repair, etc.)?
   □ No  □ Yes

14) Hazardous Waste:
   a) Is this facility a Hazardous Waste Treatment, Storage, or Disposal Facility?
      □ No  □ Yes
   b) Is this facility a Small Quantity Generator (less than 1000 kg. of hazardous waste generated per month) of hazardous waste?
      □ No  □ Yes
   c) Is this facility a Large Quantity Generator (1000 kg. or more of hazardous waste generated per month) of hazardous waste?
      □ No  □ Yes
   d) Is hazardous waste stored in the 100-year flood plain?
      □ No  □ Yes  If yes, include information to demonstrate protection from flooding.
   e) If you answered yes to questions b. or c., please provide the following information:
      Type(s) of waste: ____________________________________________________________
      How is material stored: ____________________________________________________________
      Where is material stored: ____________________________________________________________
      How many disposal shipments per year: ____________________________________________
      Name of transport / disposal vendor: _____________________________________________
      Vendor address: ________________________________________________________________

15) Certification:

   North Carolina General Statute 143-215.6 B(i) provides that:

   Any person who knowingly makes any false statement, representation, or certification in any application, record, report, plan, or other document filed or required to be maintained under this Article or a rule implementing this Article; or who knowingly makes a false statement of a material fact in a rulemaking proceeding or contested case under this Article; or who falsifies, tampers with, or knowingly renders inaccurate any recording or monitoring device or method required to be operated or maintained under this Article or rules of the [Environmental Management] Commission implementing this Article shall be guilty of a Class 2 misdemeanor which may include a fine not to exceed ten thousand dollars ($10,000).
I hereby request coverage under the referenced General Permit. I understand that coverage under this permit will constitute the permit requirements for the discharge(s) and is enforceable in the same manner as an individual permit.

I certify that I am familiar with the information contained in this application and that to the best of my knowledge and belief such information is true, complete, and accurate.

Printed Name of Person Signing: ___________________________________________

Title: _________________________________________________________________

____________________________________________________

(Signature of Applicant) (Date Signed)

Notice of Intent must be accompanied by a check or money order for $100.00 made payable to: NCDENR

Final Checklist

This application will be returned as incomplete unless all of the following items have been included:

☐ Check for $100 made payable to NCDENR
☐ This completed application and all supporting documents
☐ A site diagram showing, at a minimum, (existing or proposed):
  (a) outline of drainage areas, (b) stormwater management structures, (c) location of stormwater outfalls corresponding to which drainage areas, (d) runoff conveyance structures, (e) areas where materials and/or boats are stored, (f) impervious areas, (g) site property lines, (h) boat maintenance, blasting, painting and washing areas, and (i) location of services and activities listed in 7b.
☐ Copy of county map or USGS quad sheet (preferred) with location of facility clearly marked on map

Mail the entire package to:

Stormwater Permitting Unit Program
Division of Energy, Mineral and Land Resources
1612 Mail Service Center
Raleigh, North Carolina 27699-1612

Note
The submission of this document does not guarantee the issuance of an NPDES permit.
